Dear Parents/Carers,

I hope you enjoyed the glorious sunshine during the Bank Holiday weekend. It certainly doesn't seem like we have only had a four day week - there has been so much going on!

Firstly I'd like to say a big thank you to everyone who wore something bright and colourful to school today to help us raise £156.10 so far for Cancer Research UK. I am very proud that as a school community, we are able to support such worthy charities like this, which touch so many lives. Our contribution will help with the battle to beat cancer. Thank you everyone.

On Wednesday, Cherry class shared their learning with us during their class assembly. I was very impressed to listen to the level of maths work the children have been accessing. They were very confident and enjoyed being centre stage! Well done Cherry and thank you to Miss Bickmore and Mrs Hammerton. We always have such great support from our Cherry class parents and carers and it is always a pleasure to have you in school. Next week it is the turn of Maple class.

I can't believe I am still having to highlight the parking issue outside the school. This week I have had reports of a car rolling into another car. Last week a car hit an adult. **What will it take? Reckless driving like these examples will only result in one thing – the serious injury, or worse, to one of our children.**

The parking enforcement officers attend as often as they possibly can, but sadly they are being stretched across the local area where other local schools are having similar serious and significant issues. I will continue to contact them and request they attend during our busy times, but if people were more careful and considerate, I wouldn't have to. So please, for the sake of all our children, take more care when using the roads around our school. Thank you.

This afternoon our PTA are meeting at 3.00pm to continue planning for the summer fete which will be taking place on Saturday 7th July. Thank you everyone who has already offered to have a display board outside your house. Please remember, all money raised is used to enhance learning opportunities we provide for all children.

Next week we have our Bedtime Stories event for year one children and parents and a Royal Wedding themed party next Friday afternoon – a reward from us to all children for achieving 100% during our last school census day (school dinner uptake).

Have a great weekend.

Miss Siggery

Writer's Corner

This year our whole school focus is on writing. To ensure we keep this focus high profile, each week we will share a special piece of written work. This week the special work is from: Oliver Booth in Cedar class.

First get a container
then get some soil
next get some water and put it
into the bucket.
After that put the blue seeds
in the pot
then pour some water on it
in the sun
Finally it grows up.
